

Investing for Success

Under this agreement for 2022

Yorkeys Knob State School will receive

\$144,498

This funding will be used to

Our Strategic Plan 2021 – 2025 has the following key priority areas:

- Strategic Planning – *Vision, Resourcing, Infrastructure*
- Quality teaching and learning – *Data Literacy, Pedagogy, Curriculum, Moderation, Differentiation*
- Capability Development
- Positive School Culture – *Inclusion, Student Wellbeing, Staff Wellbeing, Community Engagement*

We will utilise this funding to provide support leading to improved student outcomes in the areas of Quality Teaching and Learning and Positive School Culture with a targeted focus on increased support for students, improved behaviour management processes, expanding pedagogical approaches and student wellbeing.

Our initiatives include

- Accessing support from the Regional Office Adventure Based Learning (ABL) team to provide instruction for staff and year 6 students in ABL to improve staff knowledge of this pedagogical approach which leads to increased collaboration, resilience and independence. We are focussing on our year 6 students to develop skills in readiness for secondary schooling. All staff will have an opportunity to receive Professional Development in ABL during 2022.
- Fully embedding Positive Behaviour for Learning into our school in 2022 and renewed focus on ensuring in class use of the Essential Skills of Classroom Management are understood and used in every classroom. Our Behaviour Teacher will both source outside assistance to support this and provide coaching to individual staff members as well as be the PBL Coach.
- Funding extra Teacher Aide hours to provide 1:1 support for individual students with diverse learning needs enabling increased participation in class.
